

# Hickory Hollow Campground

## COVID-19 Operational Update – June 23, 2020

We sincerely appreciate that you've chosen to camp with us and hope that you will find a relaxing respite from the current challenges that we're all facing. We know that being outside in the Great Outdoors is good for the body and soul especially today! Please know that the safety and well-being of our campers, our staff and our community is our primary concern.

We are able to open for camping and consistent with CDC and Pa Department of Health guidelines, we are asking campers to continue to please maintain social distancing, not gather in groups of more than 25 people, use good hygiene and wash hands frequently and wear masks as appropriate. We will continue to maintain a regular and thorough cleaning schedule.

As Pennsylvania continues to operate under the "green phase", we are able to offer unrestricted bathhouse and satellite laundry use. A portable toilet will remain available near the tent sites for convenience. The swimming pool is open but may have limited occupancy and we ask that you follow social distancing guidelines. All play areas are open or will be by July 1<sup>st</sup>. We strongly encourage the close supervision of young children to insure they follow guidelines.

Please call **(814) 926-4636** or visit our office / store Sunday through Thursday, 9:00 AM – 5:00 PM and Friday/Saturday, 9:00 AM – 9:00 PM for reservation assistance, main laundry use or to purchase store items. For after hours, emergencies only, please call: **(814) 483-3310**

Please consider downloading the free CampersApp on your mobile device at the App Store or Google Play:  
Hickory Hollow login is: hickory

In addition to providing information on the campground and the area, you can also subscribe to important, real time alerts. We've also added a new "contactless" store option that allows you to purchase a limited selection of firewood, propane and store items and have them delivered right to your campsite!

There are still plenty of healthy, outdoor activities including hiking, biking, fishing and campfires, while socially distanced of course and a wide variety of outdoor activities available in the area. Give us a call for recommendations or download the CampersApp!

Enjoy your stay and if you have any questions, concerns or ideas on how we might help each other navigate through these challenging times, please give us a call or send us an email at [info@hickoryhollowcampground.com](mailto:info@hickoryhollowcampground.com).

CDC Recommendations for Visiting Parks: <https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/visitors.html>

### DO

- ✓ Visit parks that are close to your home.
- ✓ Check with the park or recreation area in advance to prepare safely and to find out if the bathroom facilities are open and what services are available.
- ✓ Stay at least 6 feet away from others you don't live with ("social distancing") and take [other steps](#) to prevent COVID-19.
- ✓ Carefully consider use of playgrounds, and help children follow guidelines.
- ✓ Play it safe around and in [swimming pools](#), hot tubs, and water playgrounds by keeping space between yourself and others.

### DONT

- ✗ Visit parks if you are sick with, tested positive for COVID-19, or know you were recently exposed to COVID-19.
- ✗ Visit crowded parks.
